

# THE SHEPHERD'S CALL

SPECIAL RECOVERY EDITION

March 13, 2011

## Driveway Reopened

The South Highwood Avenue entrance to church has been reopened. The barriers that had blocked the usual driveway entrance were removed this week after a limited Certificate of Occupancy was issued by the Glen Rock Building Department. Geovanni Santos, our sexton, shoveled away the snow bank and Spring weather did its part to clear the rest of the driveway. Parking is back to normal in the lot around the church.

## Half a Hall is Better than None

The doors to Fellowship Hall were unlocked this week, as the limited Certificate of Occupancy allows its partial use. With the shoring poles dividing the hall right down the middle, we can use the portion adjacent to the kitchen.

Boy Scouts and AA have moved back in, and WELCA hosted the Ash Wednesday Breakfast there, as well.

## Narthex and Elevator

Access from the driveway, up the ramp to the narthex is restored. The elevator makes it possible for people with limited mobility to reach Fellowship Hall and the Chapel.

## Worship in the Chapel

This afternoon at 5 PM, Jazz Vespers featuring Jackie Jones will be held in the Chapel. The intimate space has turned out to be a very good venue for Vespers in the Key of Jazz. Wednesday evening services during Lent will also be held in the Chapel, at 7:45 PM.

## Financial Matters

While there is still no official word from our insurance company that they have accepted the claim, this week we have received reimbursement for early engineering costs for which we are grateful.

Please continue to pray for the strength and wisdom to work through this crisis. It is very important that we worship regularly together at Central School, keep a vibrant Sunday School, and with God's help, continue the mission and ministry of Good Shepherd through our time, talent, and treasure.

*Remember, God is with us, all the time. All the time, God is with us.*
